PS21 relies on the efforts of its patrons to follow these safety guidelines as well as to use any additional techniques they may believe assist in the prevention and spread of COVID-19 (Coronavirus). Patrons acknowledge that adherence to these guidelines may not ensure protection against the contraction or spread of COVID-19. PS21 Inc. encourages its patrons to monitor publicly available information and always to follow federal, state and local health organization guidance and government mandates. Furthermore, these guidelines should not be interpreted as setting a standard of care, or be deemed inclusive of all proper methods of care nor as exclusive of other methods of care reasonably directed to obtaining the same results. These guidelines reflect PS21’s understanding of the available data at the time the guidelines were prepared. The results of future studies may require revisions to these guidelines.
